

Chief, D/P/BI

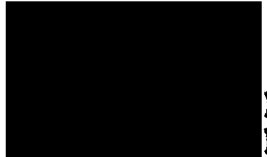

6 June 1957

DAD/BI

25X1C8a  
Release of Chapter I, NIS 39A (Communist China)  
to [REDACTED]

25X1C8a 1. You are requested to sanitize subject NIS element as indicated herein, and effect dissemination through OCR channels to the following [REDACTED] in the number of copies indicated for each:

25X1C8a

30 copies

6 "

5 "

1 "

2. Prior to delivery to OCR each copy will be sanitized as follows:

a. The "Comments on Principal Sources" in Sections 12, 13, and 18 will be deleted, which will require reprinting of these pages.

b. Section 19 will be deleted in its entirety.

c. Table of Contents will be reprinted with deletion of all reference to "Comments on Principal Sources" of Sections 12, 13, and 18, and all content relative to Section 19.

d. On the first page in which the name Peking is used that name will be marked by an asterisk, and a footnote on the bottom of the page will read as follows:

The U.S. officially follows the usage of the Government of the Republic of China in reference to Chinese place names. The official name for this city is Peiping and this usage is generally preferred. However, in this volume the Chinese Communist usage for place names on the mainland is followed. The Chinese Communists have referred to this city as Peking (Peiching) since 1949.
